

Lynn Cardey-Yates served for many years as an officer and chief counsel for various divisions of a large, multi-national mining company. Her experience enables her to provide practical, business-focused guidance to her clients on domestic and international transactional, compliance, governance, community, and other issues.

Lynn R. Cardey-Yates

Of Counsel | Salt Lake City

Biography

Lynn Cardey-Yates is of counsel in the firm's Environmental, Energy & Natural Resources Department in the firm's Salt Lake City office. She was a shareholder and member of the board of directors of the firm before joining Rio Tinto, a large multi-national mining company.

At Rio Tinto, she served in various roles, including:

- Vice President, Sustainable Development for Rio Tinto Kennecott Utah Copper, a large domestic mining operation, leading Kennecott's health, safety, permitting, and environmental teams, overseeing energy programs, and managing all water and land resources, including the award winning Daybreak master planned community.
- Vice President – Legal of Rio Tinto Kennecott Utah Copper, managing all of Kennecott's legal issues.
- Member of the Executive Committee of Rio Tinto Kennecott Utah Copper, with an overall management and leadership role.
- Vice President and General Counsel of the historic Kennecott group of companies, with responsibility for the legal issues for over 50 North American companies.
- Chief counsel for Rio Tinto's global procurement function.

Lynn also was a partner in a boutique oil and gas firm in the early years of her practice. Lynn has been a member of the Executive Committee of the American Exploration and Mining Association and was a Trustee of the organization's Board. Lynn also has served as a board member of The Nature
